Discussed the following:

The speech and language pathologist is has conducted a 3 month intervention for struggling readers as part of her PHD program. Students were referred for intervention by teachers. Pre and post testing indicated a significant improvement in reading level. The SLP will meet with teachers to coach them on best practice interventions for remediating struggling readers. Mid year scantron and DRA diagnostics will happen in the next couple of weeks and reported next month. The school has hired a consultant from the Tobin Montessori School to discuss integration of Montessori curriculum with state frameworks. Subsequent development will address vertical alignment of Math curriculum and peer observations.

Meeting adjourned at 5:30 p.m.. Next meeting: Wed Feb 4th
