Key Responsibilities:

- **Classroom Instruction:**
 - Teach one 6th-grade, one 7th-grade (accelerated), and one 8th-grade math class daily
 - Design and deliver engaging, standards-aligned lessons using the Illustrative Mathematics (IM curriculum) tailored to meet diverse learning needs
 - Utilize a variety of teaching strategies and resources to enhance students' mathematical understanding and problem-solving abilities
- **Student Intervention:**
 - Provide small-group interventions for middle school students requiring extra support during directed study times
 - Collaborate with 6th-grade Lead Teachers and specialists to develop a schedule and plan for interventions
- **Accelerated Instruction:**
 - Prepare 7th-grade students in the accelerated math course for success in 8th-grade algebra
- **Assessment and Feedback:**
 - Monitor student progress using formative and summative assessments
 - Provide timely and constructive feedback to students and communicate progress to families as needed

The mission of Hill View Montessori Charter Public School is to provide a K-8 public education that promotes academic excellence using the Montessori philosophy.

- **Collaboration and Professional Development:**

- Partner with colleagues, including classroom teachers and specialists, to ensure a cohesive approach to student learning
- Participate in team meetings, professional development, and other collaborative opportunities

Qualifications:

- Bachelor's degree in education, mathematics, or a related field
- Teaching certification for middle school math (preferred)
- Proven experience teaching Math to 6th, 7th, and 8th-grade students.
- Strong understanding of differentiated instruction and intervention strategies
- Excellent communication, organizational, and classroom management skills
- Flexibility, warmth, kindness towards children, joyful spirit, and a healthy sense of humor!
